

Gathering the Wisdom of Experts to Make Suggestions for "Two Sessions"

Author: HU Dan

Abstract:

Social organizations are important subjects who undertake social governance and they are integral parts of the modernization of national governance system and capacity. In order to fully fulfill this responsibility and obligation, China Biodiversity Conservation and Green Development Foundation (CBCGDF) has held six consecutive sessions of Meeting for Soliciting Proposals and Suggestions for the "Two Sessions". This year's meeting that was held on January 21 successfully built a bridge of communication for the development of the "Two sessions", and provided good services for the representatives, members, proposers and the media.

Key words: Two Sessions, construction of ecological civilization, green development
